DIGITAL PROJECTS AND COLLECTIONS MANAGER

Accomplished educator and project manager with 8 years of progressive experience working in universities and museums. Proven ability to lead major projects, support digital repositories, build community partnerships, and manage technical teams.

Digital Projects ▪ Team Management ▪ Community Building ▪ Technical Training
Grant and Policy Writing ▪ Copyright Law ▪ Coding and Web Development
Trusted Digital Repositories ▪ Media Preservation ▪ Metadata

PROFESSIONAL EXPERIENCE

Manager of Digital Projects, Detroit Historical Society | Detroit, MI

2014-present

Supervised digital projects including the Detroit Video History Archive, The Detroit 67 Oral History Archive, and Re-Documenting Detroit. Directed a small team (2-5 people) of technicians to capture traditional and born-digital artifacts for public consumption and long-term archival storage. Managed grant projects and budgets from IMLS, NEH, Americana Foundation, and Knight Foundation.

Lecturer, Lawrence Technological University | Southfield, MI

2012-2014

Taught courses in the digital humanities, world literature, composition, and rhetoric. Collaborated on educational course development grants from the Mellon Foundation and the American Association of Colleges and Universities.

Lecturer, University of Maryland | College Park, MD

2008-2012

Taught courses in Shakespeare, composition, digital rhetoric, and electronic literature.

EDUCATION

Ph.D. University of Maryland

English with a concentration in Digital Humanities

M.A. Loyola University Chicago

English with a concentration in Textual Criticism
